

Zero@Ecosystem

Zero@Campus — THE Impact Submission Checklist

Scope: Campus Overview • Generated: 2025-12-28 12:09 UTC • EVID-20251228-1209-campus-campus

This checklist summarizes readiness for THE Impact submission.

Statuses reflect data completeness and evidence availability for the selected scope.

Use 'Pending Review' items to drive immediate data actions and assign owners.

Next Actions (Pilot)

- SDG12: Complete procurement & waste data (Owner: Purchasing, Due: 7 days)
- Validate energy/water meters & invoices (Owner: Facilities, Due: 48h)
- Generate Evidence Pack ZIP and archive with ID (Owner: Sustainability, Due: 24h)

1. System & Operational Status

- | | |
|-----------------------|------------------------------|
| • System Health: OK | • Active Agents: 4/4 Running |
| • Last Incident: None | • Last Backup: None |

2. Environmental Performance (KPIs)

Carbon Footprint	Energy Intensity	Net-Zero Gap
18,450 tCO2e	1.2 tCO2e/stu	-58% to Target

3. Recent Operational Incidents

Self-healing logs from the last 24 hours.

No recent incidents recorded.
